SPARK

MICRO DOSE CAPS

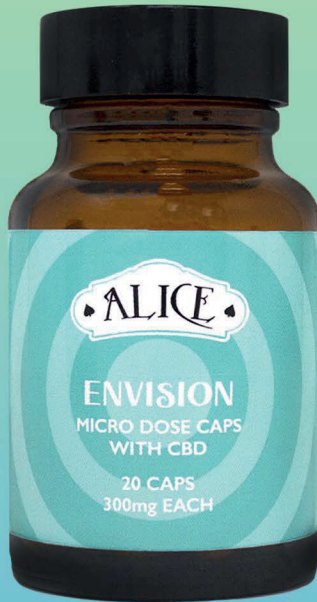

Alice Spark Micro Dose Capsules are the perfect way to start enriching your days with psilocybin. With nothing but pure Golden Teacher mushrooms, you're giving your mind and body the help they need to make your day brighter and filled with positivity. Each Alice Spark Micro Dose Capsules bottle comes with 30 gel caps, made for convenience and discreetness.

WHOLESALE \$30 MSRP \$60

ENVISION

MICRO DOSE CAPS WITH CBD

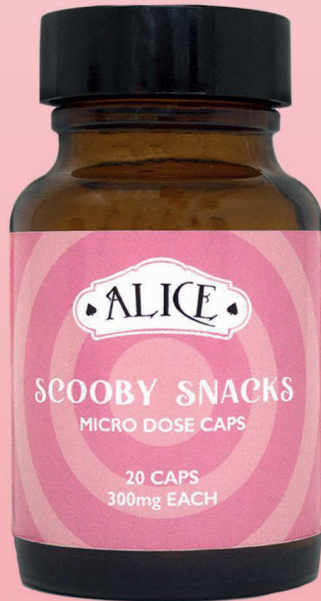

Through micro dosing, small amounts of the psilocybin are introduced to your system, not enough for you to feel high, but instead offering a sense of calm, mental clarity, greater feelings of compassion and gratitude, as well as a more positive and optimistic outlook. Micro-dosing also helps boost creativity and alertness while simultaneously reducing anxiety and depression.

WHOLESALE \$40 MSRP \$80
